▼ You can [come to Matrix chat](#) which is more private and does not require that you give it a mobile phone number or e-mail address. The Stop The Steal room was set up shortly after the election.[permalink](#) [save](#) [report](#) [block](#) [reply](#)▲ [beholdachair](#) 2 months ago +2 / -0

▼ You can't talk about or post pictures of fucking guns.

No shit Discord isn't friendly. They've had BLM banners on the damn app header for months.

▼ I said as much but it was 'blah blah blah'

there are other easy platforms w android/ios apps and servers. I'm thinking Mastadon, where you can host your own server. I'm sure there are other options.

▼ Yep. Do you know of suitable Mastodon servers? (Gab handicapped theirs to create a captive audience)

▼ Matrix is federated. You can connect to any room from any server. Your user account is associated with a specific server, though.

▼ Except the dingleberries that setup matrix.donaldsarmy.us segmented it from the federated login used by the rest of the network.

There is a Matrix room,

▼ Except... upon further inspection, they didn't setup their server to work with the federated login.

▼ Except, their matrix server is broken off from the rest of the network, by their own choosing. So while I setup a Matrix login, it doesn't work on their server.

Dingleberried it.
